

DISSERTATION AWARD CALL FOR NOMINEES

The **Dissertation Award** is given in recognition to an active or student member of the Section on Pediatrics who has completed an outstanding research project as partial fulfillment for a post-professional doctoral degree.

Submit electronically to peditrics@apta.org by **NOVEMBER 1:**

1. A cover letter and copy of the abstract containing identifying information.
2. A copy of the cover letter and study abstract with all identifying information **deleted** (do not just change the font color).
3. Evidence that the dissertation was completed within the past 2 years
4. A discussion of the relevance of the research to the practice of physical therapy

After screening the nominees, an electronic copy of the dissertation may be requested for review by the Research Committee. The Dissertation Award is presented to the recipient at the Business Meeting of the Section on Pediatrics during the Combined Section Meeting.

Any questions concerning the proposal may be sent to the Section on Pediatrics Research Committee Chair, listed in the current issue of the Section on Pediatrics newsletter or on the Web site at www.pediatricapta.org.
